

The Balay Internasyonal was inaugurated in 1993. It has for its facilities the Balay Kalinaw (House of Peace) and the Kapit-Balay (The Neighbor).

The BALAY KALINAW provides conference facilities for international conferences / seminars / meetings and other academic and related activities of the University and its community, other government agencies, and non-government or private organization. Its three-story building houses a conference hall, three seminar rooms, a dining room, an air-conditioned audio-visual room and a browsing library.

Conveniently located at the heart of the University of the Philippines campus in Diliman, Quezon City, U.P. Balay is only a few meters away from must-know places within campus. First, the university Shopping Center (where one can find almost everything a visitor needs ranging from food to clothing apparel, from toiletries to hardware supplies), then the University Health service, the Philippine National Bank, the Catholic and Protestant churches, the U.P. Cooperative Store. Most academic buildings are within walking distance. The nearby road is part of several jeepney routes that goes around and out of the University.
